Dear Dick:

I thought I'd drop you a line to ask if Marlboro will be having new art work for our 1987 season. We expect to have a record season operating during the January-March peak business and tourist dates in South Florida.

Also, please let me know if our arrangement will include the clock displays as in the past.

As I understand the situation, your contract with Hialeah ends in 1987 so financial agreements netting Hialeah Park \$8,500 for the back page will continue for the coming meeting.

Please get back to me at your earliest opportunity and as always, by best regards.

Very Truly Yours,

*Bob Savage*
